

**Lakewood Performing Arts Council
Board Minutes
Tuesday, April 13, 2010**

Call to Order—

The meeting was called to order by President, Liz Evans at 6:08 pm. Chuck Stephen; Steve Doppler, Vice President and Monica Nedbalski, Secretary, were present.

The March 2010 Board minutes were read and approved by Liz Evans and seconded by Steve Doppler.

New Business –

Preparation for the Orlando trip is underway; there will be a parent meeting in May to discuss the details of the trip.

Old Business –

The Board decided to clean (and keep) the Parade of Lights uniforms, instead of throwing or giving them away.

Chuck will order the vinyl gauntlets for the Bengal Regiment uniforms.

Fundraisers –

Regarding Bingo; the Must Go went well, and netted approximately \$11,000.00. The second session has been doing better, and has been almost full. There is no 4th quarter point/profit information available at this time.

The X-Box tournament is still on schedule, according to Chuck. Ultimate Electronics may sponsor the tournament and loan the necessary equipment.

Liz will be looking into having a ButterBraid fundraiser at the end of this school year.

The Board discussed selling pizza kits; this would be specifically for the Orlando trip, with a competition between kids to sell the most kits.

The Board also discussed sending out fundraising letters to solicit donations.

We would like to have another fundraiser in September and in November of the upcoming school year.

Financial –

Financial information was not available at the time of this meeting.

The meeting was adjourned at 6:55 pm
